**It's often claimed that life is no picnic – but June 18th it is! International Picnic Day is a chance to eat out in the open air with friends or family. International Picnic Day is a made-up holiday that is celebrated annually on June 18th. So, pack your picnic basket, hop into the car or walk to a park or a picnic area and enjoy an outdoors meal by yourself or with your family and friends to celebrate this unofficial holiday.**
