

CHALEUR REGIONAL SERVICE COMMISSION

Seeking candidates for the position of Director - Solid Waste Management Services

Overview:

Under the authority of the Executive Director, the Director of Solid Waste Management Services oversees the management of solid waste and the supervision of day-to-day operations, in compliance with the applicable regulatory requirements.

Main Responsibilities:

- Offers advice to the Board of Directors of the CRSC on solid waste strategic initiatives and on long term planning;
- Insures staff management, training and implementation of various programs;
- Develops and coordinates policies, procedures, and productivity standards;
- Establishes financial objectives by preparing annual operating and capital budgets;
- Establishes good working relationships with all stakeholders in the private and public sectors;
- Promotes public education, promotional and advertising programs;
- Ensures that the CRSC complies with legislative and regulatory requirements of all levels of government.

Requirements:

- University degree in Civil Engineering;
- Member of the Association of Professional Engineers and Geoscientists of New Brunswick;
- Experience in staff and human resource management;
- Technical knowledge related to solid waste management and construction;
- Experience in project management;
- Knowledge of both official languages is a requirement (French and English).

Candidates must submit their application by May 1st, 2015, 4:30 p.m. to Jocelyne Hachey, Executive Director, Chaleur Regional Service Commission, 702, rue Principale, Unit 130, Petit-Rocher, NB E8J 1V1. Tel: (506) 542-2688, fax: (506) 542-2642 or by email to info@csrChaleurRsc.ca
